

# The U.S. Navy INVITES YOU TO PARTICIPATE in the Point Mugu Sea Range EIS/OEIS Public Involvement Process

The U.S. Navy has prepared a Draft Environmental Impact Statement/ Overseas Environmental Impact Statement (EIS/OEIS) to assess potential environmental consequences associated with continuing military readiness activities and proposed increases in research, development, acquisition, testing, evaluation, and training activities in the Point Mugu Sea Range. These activities are consistent with previously analyzed activities and are similar to those that have occurred here for decades.

The Navy is also consulting with interested parties for the National Historic Preservation Act Section 106 process regarding potential effects on historic properties.

## Public Involvement

The Navy welcomes public review and substantive comments on the Draft EIS/OEIS and potential effects on historic properties. Visit [www.pmsr-eis.com](http://www.pmsr-eis.com) to review the document and submit comments online, or submit by mail to:

Commander, Naval Air Warfare Center Weapons Division  
Range Sustainability Office  
Point Mugu Sea Range, Bldg. 53A, Rm. 106G, Code EB2R00M  
575 I Ave., Suite 1  
Point Mugu, CA 93042-5049  
Attention: EIS/OEIS Project Manager

Public comments must be postmarked or received online by **June 8, 2020**, for consideration in the Final EIS/OEIS.

## For More Information

Due to current federal and state guidance on social distancing in response to COVID-19, the Navy will not hold in-person public meetings to support the Draft EIS/OEIS public review and comment period. If you have questions about the Proposed Action, the draft environmental impact analysis, or the Section 106 process, please email [info@pmsr-eis.com](mailto:info@pmsr-eis.com) or call 888-238-2375.
